

Water District

Notice of Public Hearing on Tax Rate

The Dallas County Utility and Reclamation District will hold a public hearing on a proposed tax rate for the tax year 2026 on September 16, 2026, at 11:00 AM. at 850 East Las Colinas Blvd.; Irving, TX 75039. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property. The change in the taxable value of your property in relation to the change in the taxable value of all other property determines the distribution of the tax burden among all property owners.

Visit [Texas.gov/PropertyTaxes](https://www.texas.gov/PropertyTaxes) to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information about proposed tax rates and scheduled public hearings of each entity that taxes your property.

FOR the proposal: Rick Lindsey, Roy Santoscoy
Miller Sylvan, Bruce Kamis
Robert Stewart

AGAINST the proposal: None

PRESENT and not voting: None

ABSENT:

The following table compares taxes on an average residence homestead in this taxing unit last year to taxes proposed on the average residence homestead this year.

	Last Year	This Year
Total tax rate (per \$100 of value)	\$0.7000/ \$100 Adopted	\$0.7000/ \$100 Proposed
Difference in rates per \$100 of value		\$0.00
Percentage increase/decrease in rates		0%
Average appraised value	686,175	686,121
General exemptions available (excluding senior citizen's or disable person's exemptions)	*	*
Average taxable value	*	*
Tax on average residence homestead	*	*
Annual increase / decrease in taxes if proposed tax rate is adopted (+/-) and percentage of increase (+/-)		* 3.5%

* Single Family residential homesteads built within the District are eligible for an abatement exemption on all taxable improvements for a term of up to 50 years. The current percentage of exemption is approximately 80% of appraised value.

If the proposed combined debt service, operation and maintenance, and contract tax rate requires or authorizes an election to approve or reduce the tax rate the Dallas County Utility and Reclamation

District proposes to use the tax increase for the purpose of flood control facilities, maintenance, and improvements.

NOTICE OF VOTE ON TAX RATE

If the district adopts a combined debt service, operation and maintenance and contract tax rate that would result in the taxes on the average residence homestead increasing by more than 3.5 percent, an election must be held to determine whether to approve the operation and maintenance tax rate under Section 49.23602, Water Code.

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.
